

KONICA MINOLTA

The essentials of imaging

bizhub 20P

The fast black and white printer **with a small footprint**

Busy offices in corporate environments will happily take on the bizhub 20P desktop and workgroup printer as the perfect output tool to ease their print load. Its compact design makes this fast monochrome printer with integrated duplex unit the ideal addition close to the workplace, whatever the department.

➔ Speedy, compact and versatile

With a print speed of up to 30 ppm and the first print after just 8.5 seconds, the bizhub 20P is remarkably fast and at the same time generously featured with PCL and PostScript support, network and USB 2.0 Hi-Speed interface. Compatible with Windows and Macintosh, the bizhub 20P handles all typical everyday printing tasks, with competence and perfectly complements central A3 devices. Standard duplex and brochure printing enhances user flexibility further and helps to use less paper, whilst n-up allows printing documents on a single sheet for a fast overview. The bizhub 20P's convenient paper management includes a standard 250-sheet tray and a 50-sheet multipurpose tray to print specialities like envelopes or labels quickly and without fuss. Two optional trays increase paper capacity to 800 sheets and offer instant access to different paper qualities, such as company stationery. Alternatively, the 3 trays can be combined to avoid interruptions to refill paper when printing larger jobs. Its compact design and low weight (just 9.6 kg) makes the bizhub 20P an ideal choice wherever space is limited.

The bizhub 20P impresses with its economic yet eco-friendly performance that satisfies both cost-conscious users and those concerned with environmental sustainability. Its standard duplex function helps reduce the use of paper, while the long-life toner is used sparingly and has a high yield. Featuring low energy consumption and an intelligent power saver mode, the bizhub 20P has been awarded both the Energy Star and German Blue Angel mark.

| Key features | Key benefits |
|-----------------------------|---|
| Print speed of up to 30 ppm | Quickly handles with ease higher print loads |
| Small and compact design | Fits right on your desktop therefore it is ideal for confidential print outs |
| Versatile paper management | Up to 3 trays offer instant access to different paper qualities & avoid interruptions to refill paper when printing larger jobs |

Technical specifications

Printer specifications

Printing process Electrophotographic laser
Print speed A4 Up to 30 ppm
1st print time 8.5 sec.
Warm-up time 18 seconds or less
Print resolution Max. 1,200 x 1,200 dpi
Controller CPU 300 MHz
Page description languages PostScript 3, PCL 6
Operating systems Windows 2000, Windows XP (32/64), Windows Vista (32/64), Windows Server 2003 (32/64), Windows Server 2008 (32/64), Windows 7 (32/64), Macintosh OSX 10.3.9/10.4/10.5/10.6
Printer fonts 66 PCL scalable fonts; 12 PCL Bitmap fonts; 66 PostScript compatible fonts
Print functions Watermark; n-up; poster; booklet page order

System specifications

System memory Standard: 32 MB, Max.: 544 MB
Interface 10Base-T/100Base-TX Ethernet; USB 2.0; parallel IEEE1284
Network protocols TCP/IP (IPv4 / IPv6); LPD; IPP; SNMP; HTTP/HTTPS
Printable paper size A6-A4; customised paper sizes
Printable paper weight 60-163 gsm
Paper input capacity Standard: 300 sheets, Max.: 800 sheets
Tray 1 250 sheets; A6-A4; 60-105 gsm
Tray 2 (optional) 250 sheets; 60-105 gsm; A5-A4
Tray 3 (optional) 250 sheets; 60-105 gsm; A5-A4
Manual bypass 50 sheets; A6-A4; 60-163 gsm; Custom (69.8-216 x 116-406.4 mm)
Automatic duplexing A4; 60-105 gsm

Output capacity 150 sheets (face down), 1 sheet (face up)

Power consumption Max.: 930W, Printing: 675W, Stand-by: 75W, Sleep mode: 6W

System dimensions (W x D x H, mm) 371 x 384 x 246

System weight 9.6 kg

System features

Security IP filtering (IPv4), SSL protocol, SNMPv3
Software PageScope NetCare

- All specifications relating to paper capacity refer to A4-size paper of 80 gsm quality.
All specifications relating to printing speeds refer to A4-size paper that is printed crosswise in multipage, simplex mode.
The support and availability of the listed specifications and functionalities varies depending on operating systems, applications, network protocols as well as network and system configurations.
The stated life expectancy of each consumable is based on specific operating conditions such as page coverage for a particular page size. The actual consumables life will vary depending on the use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity.
Some of the product illustrations contain optional accessories.
Specifications and accessories are based on the information available at the time of printing, and are subject to change without notice.
Konica Minolta does not warrant that any prices or specifications mentioned will be error-free.
Microsoft, Windows and the Windows logo are trademarks, or registered trademarks, of Microsoft Corporation in the United States and/or other countries.
SAP and all SAP logos are trademarks or registered trademarks of SAP AG in Germany and in several other countries.
